A person wearing a cap is silhouetted against a bright window, holding a camera as if taking a photo. The scene is dimly lit, with a blueish tint. In the foreground, several lit candles are visible, including a large white one and a red one. A teal-colored text box is overlaid on the lower-left portion of the image.

I've Been Thinking About You (I Wanna Be Free)

Originally written September 2014.

Been thinking about you
Been thinking about the crazy way you treated me
The intensity fades
But the memories remain
And the pain lingers on
Been thinking about you
Been thinking about you

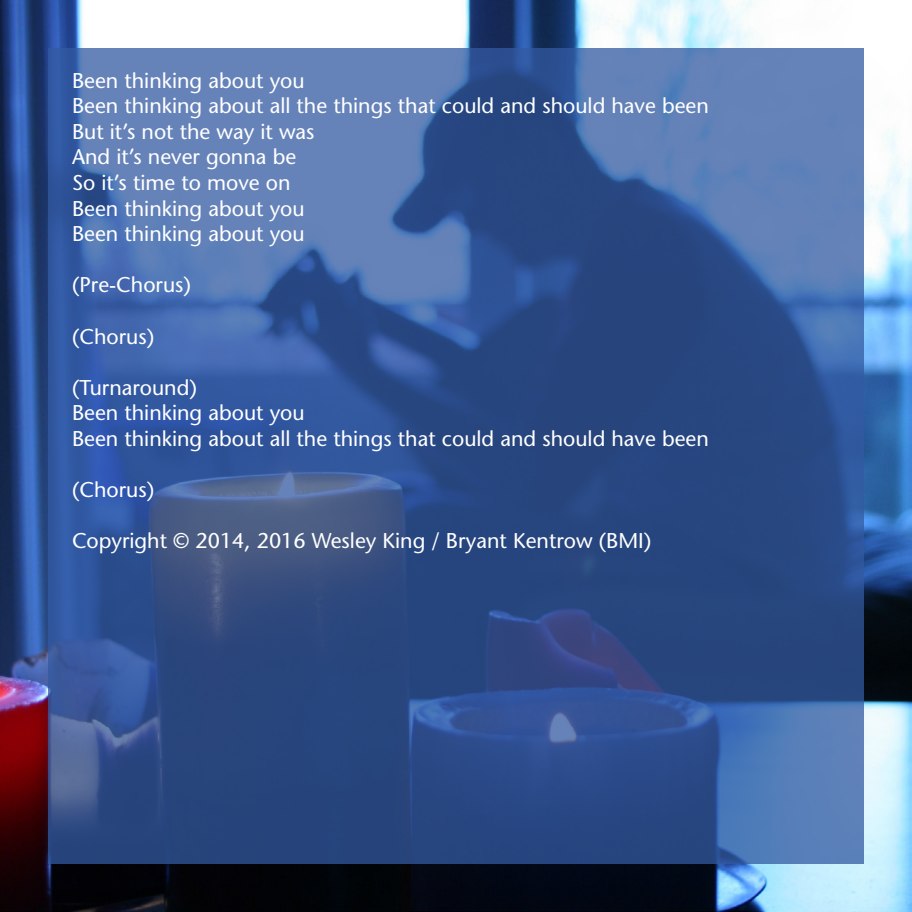

Been thinking about you
Been thinking 'bout picking up the phone and calling you
But I don't believe you've changed
And nothing else would
So it's time to move on
Been thinking about you
Been thinking about you

(Pre-Chorus)

All this thinking is confusing me
But there is one thing I know

(Chorus)

I wanna be free of you
I wanna be free of everything you did to me
I wanna be free of you
I wanna be free of that hold you have on me
I wanna be free

Been thinking about you
Been thinking about all the things that could and should have been
But it's not the way it was
And it's never gonna be
So it's time to move on
Been thinking about you
Been thinking about you

(Pre-Chorus)

(Chorus)

(Turnaround)

Been thinking about you
Been thinking about all the things that could and should have been

(Chorus)
